Mayor Diblasio,

Attached please find a complaint filed with the State Commission on Judicial Conduct. The Complaint filed against Judge Douglas E. Hoffman for retaliatory behavior is based on a response to a complaint filed against him. The vicious, over reaching, abuse of power is nakedly exposed in the actions and behavior of this judge whom is clearly rankled by having his own biased, irresponsible behavior commented upon and exposed.

It is the experience of the FCVFC that children in the Dependency, Juvenile and Family Courts are the most disenfranchised, poorly represented, gravely abused citizens of our country. The case of Altman v Scollar - "Biology Is Irrelevant" condenses multiple issues and presents a clarion call of the utmost urgency.

Your attention to this matter would be greatly appreciated,

Sincerely,

Jill Jones-Soderman
