## DEVELOPMENT OF A JUDICIAL SURVEY FORM

### Judicial Oversight by “Customer Survey”

If every judge, guardian ad litem, lawyer for children – court actor had to be evaluated for their service performance – not geared toward outcome, but toward fairness, reasonableness, rationale, understanding/clarity of the decision – etc. - what do we think performance evaluations would look like now?

The FCVFC is reviewing the idea of developing a questionnaire/survey about court personnel, beginning with judges. We are going to ask every person who seeks services from the FCVFC to complete a short questionnaire about the experience with the judge that handled their case and let's see what we can do...
